

# Doyle University

Registration Form

## **" Kaba Access New Products & E-Plex"**

**Presented by Paul Hattenberger**

**Wednesday, July 15th**  
**5:00pm to 7:00pm**

### Overview Of Meeting:

This class will focus on some of the new products that Kaba has recently introduced to the marketplace. The class will also briefly go over some of the existing products, and offer a refresher course on programming and installation of the E-Plex locks. Some of the new products that will be covered are the new E-Plex Narrow Stile Proximity Reader Lock, the Learn Lok version of the E-Plex 5000 Series proximity reader, and the new stand alone access control keypad with proximity reader. This class will focus on the features of the new products, as well as look at some of the applications where these locks would be used.

**"Doyle University... Feeding your mind and body!"**
